Los Angeles, California 90012

Dear Supervisors:

RECOMMENDATION TO TERMINATE LOCAL EMERGENCIES (ALL DISTRICTS) (3-VOTES)

SUBJECT:

The Office of Emergency Management (OEM) is requesting approval to terminate two local emergencies proclaimed by the Board on October 14 and 21, 2007.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Adopt and instruct the Chair of the Board to sign the attached proclamation terminating two local emergencies enacted as a result of an accident that occurred on the Santa Clarita Interstate Freeway (I-5) and the numerous fires throughout the County beginning in October 2007.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

State law requires that the Board terminate local emergencies when the threats have passed and there are no compelling reasons to continue the event. The OEM staff recently reviewed the status of active local emergency proclamations and has concluded that the following local emergencies can be terminated:

- Emergency restoration actions resulting from an accident that occurred on the Santa Clarita Interstate Freeway, as proclaimed on October 14, 2007, and ratified by the Board on October 16, 2007.
- Conditions of extreme peril to the safety of persons and property arising as a result of numerous fires throughout the County beginning in October 2007, as proclaimed on October 21, 2007, and ratified by the Board on October 23, 2007.

Our conclusions are based upon the fact that the immediate responses to the events have concluded. The powers, functions, and duties that a Proclamation provides are no longer needed. Even though there may be on-going activities associated with the event, the Proclamation will not be needed to obtain support from the State and Federal government.

FISCAL IMPACT/FINANCING:

None.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

The proclamation has been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION:

This action is not subject to the California Environmental Quality Act because it can be seen with certainty that it will have no environmental effect.

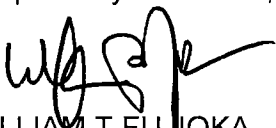

IMPACT ON CURRENT SERVICES (OR PROJECTS):

None.

CONCLUSION:

Upon approval by the Board, an adopted, stamped copy should be returned to the Office of Emergency Management.

Respectfully submitted,

WILLIAM T FUJIOKA
Chief Executive Officer
